TOMAŽOVA KONOBA

*trideset godina tradicije
thirty years of tradition*

Tomažova konoba nastala je na temeljima tradicije, profesionalnog usavršavanja i prihvaćanja suvremenih tokova turističke ponude i potražnje. Obitelj Vošten je, obgrlivši tradiciju, ugostiteljstvo i tehnologiju, iznjedrila obiteljsko gospodarstvo koje svojim posjetiteljima pruža užitek domaće gastronomije: od suhomesnatih proizvoda pripremljenih u vlastitoj pršutarni do kuhanih delicija spravljenih u kuhinji konobe. Apartmani (tri zvjezdice) i konoba rustikalnog interijera omogućuju gostima kratak izlet kroz bogatu povijest istarske svakodnevice.

Tomaž's tavern originated on the basis of tradition, professional development and acceptance of contemporary trends of tourist offer and demand.

The Vošten family embraced tradition, catering and technology and created a family agritourism which offers to the visitors the possibility to enjoy the delicacies of domestic gastronomy: from the self-prepared smoked and curried meat products to the cooked delicacies prepared in the tavern's kitchen.

While staying in the rustical apartments (three stars) and the tavern the guests can enjoy a short journey through the rich history of the Istrian everyday life.
